

COMPONENTI / COMPONENTS

(A) Struttura
Structure

(B) Barre di aggancio
Mounting profiles

(C) Brugola
Allen key

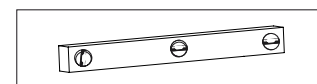

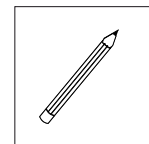

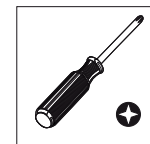

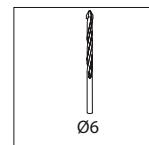

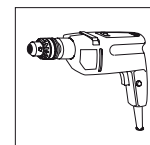

(E) Tasselli da muro
Wall plugs

(F) Viti da muro
Wall screws

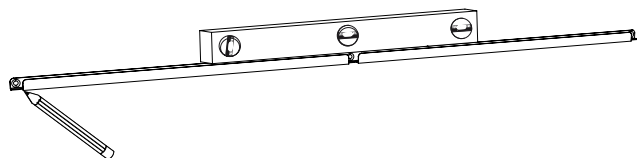

COSA HAI BISOGNO / REQUIRED TOOLS

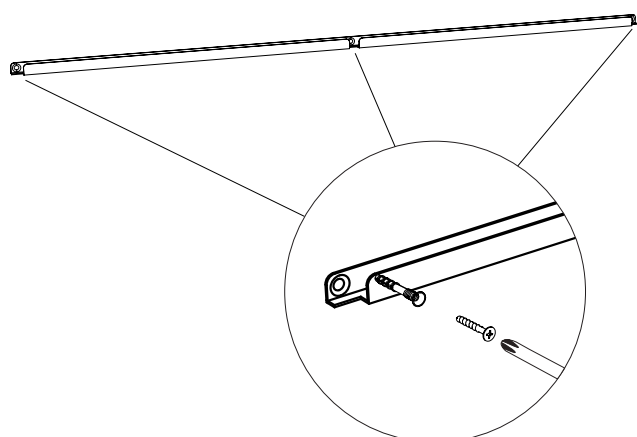

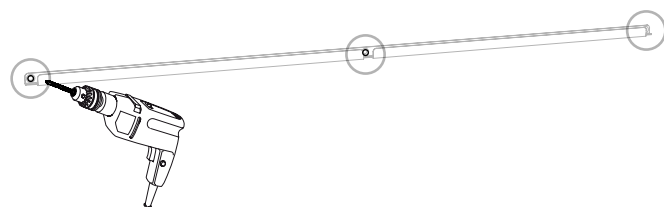

1 Posizionare la barra di aggancio superiore (A) a parete e metterla in bolla. La posizione della stessa determinerà il termine superiore della libreria.
Marcare il muro con una matita, in corrispondenza dei fori sulla barra.

Place the first mounting profile (A) on the wall and level it with the help of the tool. Its position will determine the upper end of the library.
Mark the holes in the bar with a pencil.

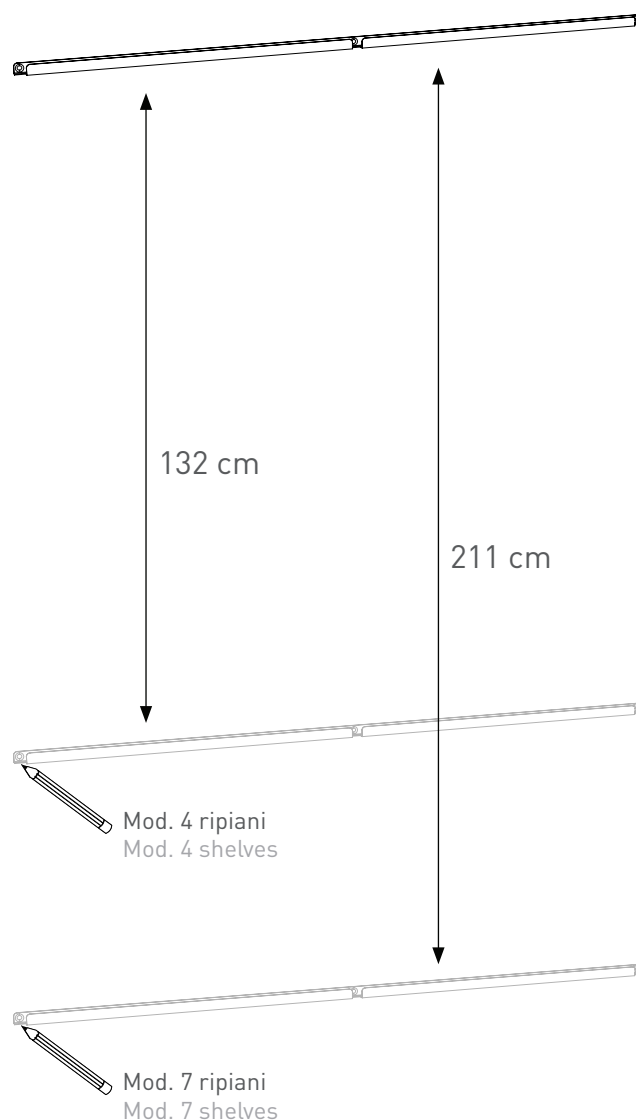

3 Con il trapano, forare il muro in corrispondenza dei segni precedentemente fatti.
Inserire i tasselli in corrispondenza dei fori e ad avvitare le viti alla barra.
Drill corresponding to the marks previously signed on the wall.
Fix the profiles to the wall with screws and plugs using the holes made in the previous step.

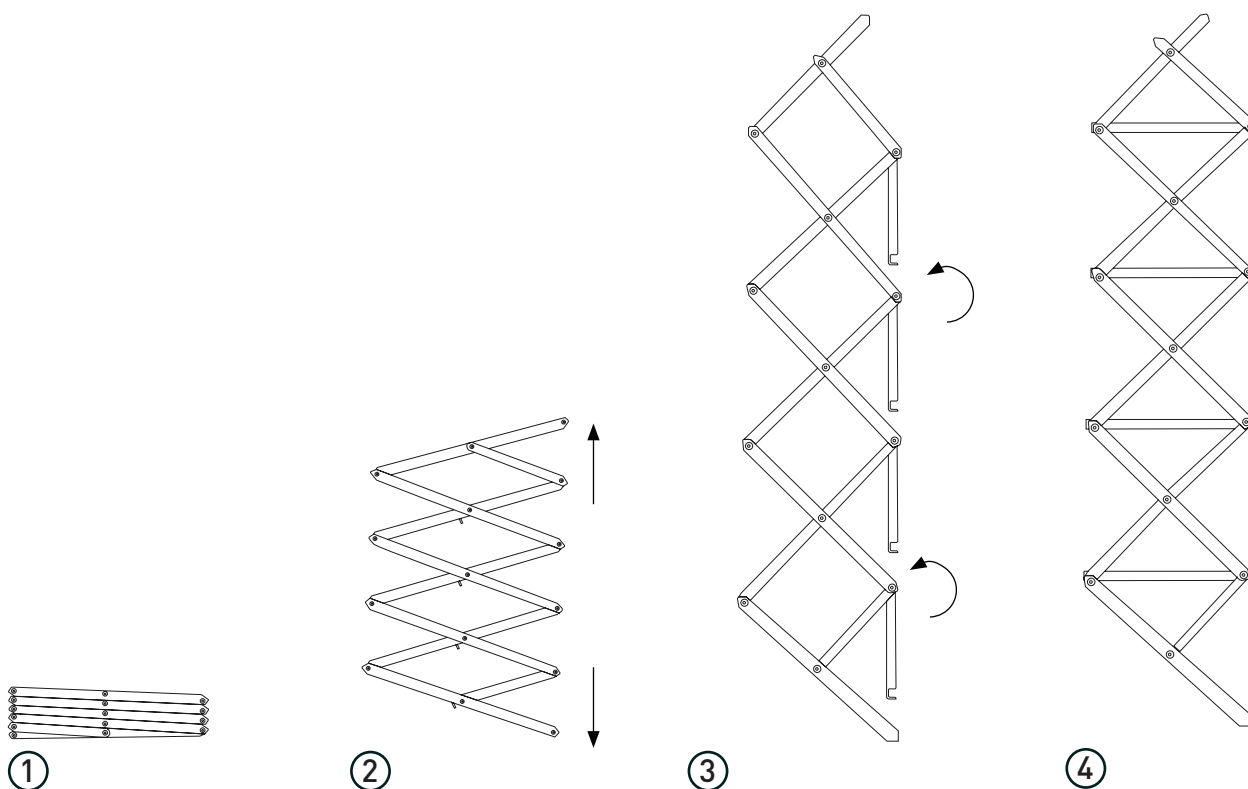

2 Posizionare la seconda barra di aggancio inferiore (B) ad una distanza che dipende dalla tipologia di libreria acquistata, 4 o 7 ripiani. Le distanze sono riportate sul disegno.

Position the second mounting profile (B) at a distance that depends on the type of bookcase purchased, 4 or 7 shelves. The distances are shown on the drawing below.

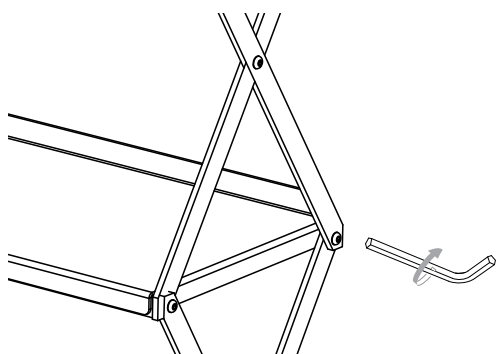

- 4** La struttura viene fornita già assemblata, prima di appenderla, la libreria va dispiegata e va fatto ruotare di 270 gradi ogni ripiano prima di bloccarla in posizione.

The structure is supplied already assembled in all its components. Before hanging, the bookcase must be unfolded and each shelf must be rotated 270 degrees before locking it into position.

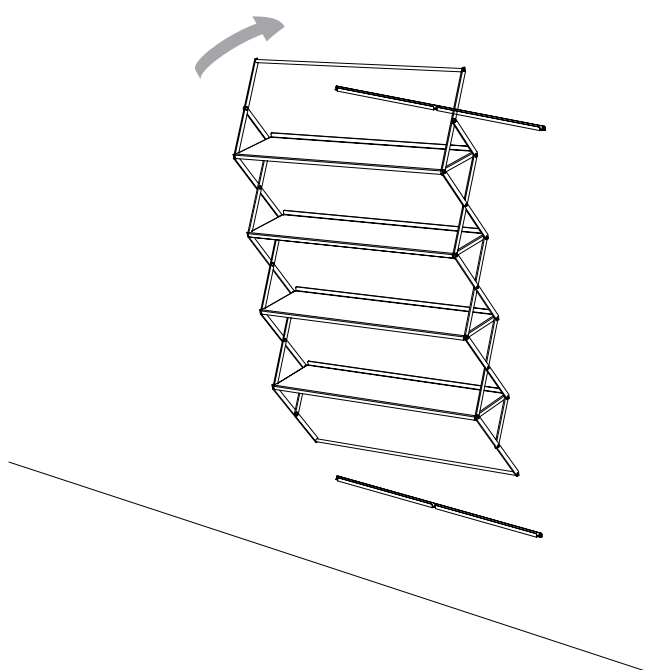

- 5** E' consigliabile stringere tutte le viti presenti nella struttura con l'apposita brugola fornita nella confezione prima di procedere con lo step successivo.

It is advisable to tighten all the screws present in the structure with the appropriate Allen key provided in the package before proceeding with the next step.

- 6** Sollevare la struttura e posizionarla sugli appositi ganci fissati a parete precedentemente.

Lift the structure and place it on the profiles previously fixed to the wall.
